

Greetings!

At the 2019 NSFVA Conference in Tremonton and Brigham City, Utah, attending members expressed interest in a NSFVA Roster to be shared amongst the members. Lyn Neel graciously volunteered to lead the project and put the roster together. Thank you to Lyn for your efforts!

During the 4-day conference, hosted by Eli Anderson, attendees traveled several historic trails, visited noteworthy sites of importance to transcontinental travel and freighting, and witnessed history in the making during the Spike 150 commemorative events. The 2019 Conference was exceptional and the NSFVA Board extends a HUGE thank you to Eli Anderson for his tireless efforts planning and executing the conference. Thank you Eli!

The NSFVA 2020 Conference will be held at Fort Davis, Texas and hosted by Glenn and Patty Moreland. Please keep checking the NSFVA website for information about upcoming events. www.stagecoachfreightwagon.org

The group drove along the Bartleson-Bidwell Wagon Trail- the 1st wagon train of immigrants heading to California in 1841.
